ACTIVIITES FOR WEEK OF 23 - 27 JANUARY 1984

SNIE 11/17-84: "New Directions in Soviet BCW Agent Development and Their Implications" was approved by NFIB on 24 January 1984.

NIO/AL (David Low) discussed the upcoming SNIE on "Argentine Nuclear Policies Under Alfonsin" with representatives of the South America Division of OALA; met with Roger Robinson at the National Security Council to discuss the economic situation in Nicaragua; and met with the informal Agency nuclear working group to discuss current nuclear proliferation issues.
